Readiness Check

Before completing the main application, please take a few minutes to complete this short readiness check. This helps us understand whether the programme is the right fit for you and your innovation before you invest time in the full application. Please answer each question as accurately as you can.

1* Applicant Full Name

2* Applicant Email Address

3* Innovation Name

4* Do you have any evidence to show the impact or benefits of your innovation? *(Circle your selected answer)*

- a) Yes
- b) Not yet

5* Has your innovation been deployed in an NHS or care setting in the UK or internationally? *(Circle your selected answer)*

This could be through commercial contracts or pilot sites where the innovation is used in real-world setting.

- a) Yes
- b) Not yet
- c) It has been deployed in another setting.

5.C.1* Please specify the setting *(Complete question if you answered 'c' for Q5)*

6*	Is your innovation ready for wider adoption across the health and care system? <i>(Circle your selected answer)</i>
a)	Yes
b)	No

7*	Is this application being submitted by a single named applicant representing the innovation? <i>(Circle your selected answer)</i>
a)	Yes
b)	No

8*	Has your innovation met the regulatory requirements for its expected use in the NHS? <i>(Circle your selected answer)</i>
a)	Yes
b)	No

8.B.1	If not, please specify when you expect to achieve regulatory compliance? <i>(Complete question if you answered 'No' for Q8)</i>

9*	Are you able to commit the time to scale your innovation (usually at least two days per week during the initial 12 months of the NIA)? <i>(Circle your selected answer)</i>
a)	Yes
b)	No

10*	Whilst the 2027 Intake call does not cover a specific theme, stakeholders have highlighted the below challenges as being particularly pressing. Which of the below, if any, does your innovation address (Applicants should refer to the Call for Applications document that drills down into these top-line priorities): <i>(Circle all that apply)</i>
a)	Access
b)	Productivity
c)	Modern Service Framework
d)	Women's Health
e)	Dementia / Alzheimer's
f)	None of the above

10.A.1	Select all that apply re Access <i>(Complete question if you answered 'a' for Q10) (Circle all that apply)</i>
a)	Outpatient transformation: digital triage, Advice and Guidance tools, remote consultations and patient-initiated follow-up (PIFU).

b)	Urgent and emergency care routing: booking, navigation and scheduling tools that reduce avoidable A&E attendance.
c)	Digital front door: solutions that integrate with or extend the NHS App and NHS Online.
d)	Interoperability, Federated Data Platform and the single patient record – shared care records and secure information exchange.
e)	Diagnostics and community diagnostics: straight-to-test pathways, community diagnostic centres and imaging optimisation.
f)	Predictive prevention and population health: risk stratification, early-intervention and predictive analytics.

10.B.1 **Select all that apply re Productivity**
(Complete question if you answered 'b' for Q10) (Circle all that apply)

a)	Operational and Clinical Productivity: ambient documentation, theatre utilisation, discharge management, RTT optimisation, ambulance hear/see/treat improvements and crisis response coordination.
b)	Healthy and Motivated Workforce: workforce planning, job planning tools, rostering, Workforce Bank solutions, retention and wellbeing interventions.
c)	Technology and Digitally Enabled Care: FDP-enabled applications, interoperability, AI triage, NHS App integration, cyber resilience and operational intelligence.
d)	Reducing Waste: medicines optimisation, biosimilars, generic switching, supply-chain optimisation, procurement automation and back-office productivity.
e)	Left Shift: Prevention and Community Care: neighbourhood MDTs, virtual wards, urgent community response, intermediate care, community diagnostics, prevention programmes, Talking Therapies and MSK pathways.

10.C.1 **Select that apply re Modern Service Framework**
(Complete question if you answered 'c' for Q10) (Circle all that apply)

a)	Cardiovascular disease
b)	Sepsis
c)	Severe mental illness
d)	Frailty and dementia
e)	Palliative and end-of-life care
f)	Children and young people's health

10.D.1 **Select all that apply to Women's Health**
(Complete question if you answered 'd' for Q10) (Circle all that apply)

a)	Menstrual and gynaecological conditions
b)	NHS Online pathways
c)	Menopause support
d)	Pain management
e)	Maternity safety and quality improvement
f)	Research and clinical trials participation
g)	Bone health and osteoporosis

10.E.1	Select all that apply for Dementia / Alzheimer's <i>(Complete question if you answered 'e' for Q10) (Circle all that apply)</i>
a)	Early Detection and Diagnosis
b)	Crisis prevention
c)	Treatment Delivery and Non-Pharmacological Interventions
11*	Does your innovation impact a particular disease or condition? <i>(Circle your selected answer)</i>
a)	Yes
b)	No
11.A.1*	If yes, please specify <i>(Complete question if you answered 'Yes' for Q11)</i>
12*	Select all the categories that can be used to describe your innovation <i>(Circle all that apply)</i>
a)	Medical device
b)	In vitro diagnostic
c)	Digital (including apps, platforms and software)
d)	Artificial Intelligence (AI)
e)	Education or training of workforce
f)	Personal protective equipment (PPE)
g)	Models of care and clinical pathways
h)	Estates and facilities
i)	Data and monitoring
j)	Reduces carbon emissions and supports the NHS to achieve net zero
k)	Healthcare inequalities improvement
l)	Other (please specify):
12.L.1	Please specify <i>(Complete question if you answered 'l' for Q12)</i>
13*	Select a primary category to describe your innovation: <i>(Circle your selected answer)</i>
a)	Medical device
b)	In vitro diagnostic
c)	Digital (including apps, platforms, software)

d)	Artificial Intelligence (AI)
e)	Education or training of workforce
f)	Personal protective equipment (PPE)
g)	Models of care and clinical pathways
h)	Estates and facilities
i)	Data and monitoring
j)	Reduces carbon emissions and supports the NHS to achieve net zero
k)	Healthcare inequalities improvement
l)	Other (please specify)

13.L.1 Please specify (Complete question if you answered 'l' for Q13)

**14* Where did you hear about the NIA 2027 Intake call?
(Circle all that apply)**

a)	LinkedIn
b)	A Health Innovation Network
c)	The NIA website
d)	NHS Clinical Entrepreneurs Programme
e)	NHS Innovation Service
f)	NIA Fellow or Alumni
g)	NIA Mentor
h)	NHS Confed
i)	ReWired
j)	Other Event
k)	InSites
l)	INSIGHTS e-newsletter
m)	SBRI
n)	Word of mouth
o)	Other
p)	Prefer not to say

**14.B.1 Please specify any/all that apply:
(Complete question if you answered 'b' for Q14) (Circle all that apply)**

a)	Health Innovation East Midlands
b)	Health Innovation East
c)	Health Innovation Manchester

d)	Health Innovation Network South London
e)	Imperial College Health Partners
f)	Health Innovation Kent Surrey Sussex
g)	Health Innovation North East and North Cumbria
h)	Health Innovation North West Coast
i)	Health Innovation Oxford and Thames Valley
j)	Health Innovation South West
k)	UCLPartners
l)	Health Innovation Wessex
m)	Health Innovation West Midlands
n)	Health Innovation West of England
o)	Health Innovation Yorkshire and Humber

14.J.1	Please specify: (Complete question if you answered 'j' for Q14) (Circle all that apply)
a)	Best Practice
b)	London Tech Week
c)	Health Strategy Summit
d)	Driving International Trade Conference
e)	Developing Your Portfolio
f)	Other

14.O.1	Please specify: (Complete question if you answered 'o' for Q14)
---------------	--

15*	Is your organisation an NHS or a public sector organisation? (Circle your selected answer)
a)	Yes
b)	No

15.A.1	If yes, please specify (Complete question if you answered 'Yes' for Q15)
---------------	---

16*	Are you currently receiving any support for your innovation? (Circle your selected answer)
	This could include support from Health Innovation Networks or other support programmes for example.
a)	Yes
b)	No

16.A.1	Please specify the support you are receiving (<i>Complete question if you answered 'Yes' for Q16</i>)
---------------	--

16.A.2	Have you received support from any of the Health Innovation Networks (HINs) below? Please select all that apply. (<i>Complete question if you answered 'Yes' for Q16</i>) (<i>Circle all that apply</i>)
---------------	---
